AN OPEN LETTER FROM THE VICE PRESIDENT AND GEN-ERAL MANAGER OF THE NEVADA-CALIFORNIA POW ER COMPANY TO THE PEO. PLE OF TONOPAH

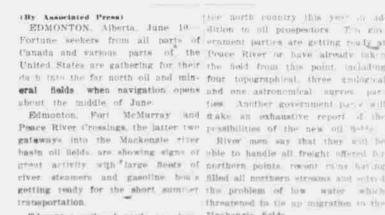

Has it ever occurred to you

that The Nevada-California Power Company is, in the best sense of the term, a home institution ! Not only does it supply an essential need, but it is also an integ ral part of your community life. Its local personnel are your neighbors and fellow citizens. equally interested with you in the public welfare. They administer, in your behalf, the service that has back of it a great system of generating plants, of transmission and of distribution lines; all as fully yours as the local plant and equipment with which you are daily familiar. Another point of contact between The Nevada-California Power Company and the community is found in their local disbursements, which amounted in Tonopah last year to \$25,753.21, of which \$8,870.78 was paid for material and \$16,882.43 for labor Very truly yours,

a. B. Was Vice President

and General Manager.
